Damage Assessment

- **There is no change to the damage/destroyed report.**
- Hidden Valley Satellite School is completely destroyed.
- Roseland Collegiate Prep (public charter school) has several buildings destroyed.
- Cardinal Newman High School has several buildings destroyed.
- CDE is working with Sonoma County Office of Education to assess the condition of school facilities.
- Yesterday's meeting in Sonoma with the State Superintendent and the Director of School Facilities highlighted the difficulty local districts have had in accessing their own sites due to evacuation orders and ongoing risks. They toured three of the affected schools. (Hidden Valley, Roseland, and Cardinal)
- The status of some schools is unknown at this time.
